

## PARTITION

« He came »

*Auteur/compositeur : Estelle & Grégory Tanielian*

### Couplet 1 & 2

**Rém – Fa – Do – Sib X2**

He came and He touched my soul,  
And then I realized He is the god of Love !  
His breath on my intelligence ,  
And then I realized, He is The god of love !

Pont: **Solm – Sib – Rém – Do X2**

**Rém – Fa – Do – Sib X2**

He came and He touched my eyes  
So I can see The god he really is.  
He spoke to my broken heart,  
So I can live and be saved by his Name !

Pont: **Solm – Sib – Rém – Do X2**

### Refrain

**Rém – Sib – Fa - Lam**

He is the God of creation  
The God of compassion  
The God of the nations  
And he took my hand

**Rém – Sib – Fa – Lam X2**

The Holy God

The God of passion

The God of relation

And he took my hand

I can see in the world, in the sky, his majesty

I can feel in my heart, in my soul, his glory

**Fa – Sib – Rém – Solm X2**

**Fa – Sib – Rém - Do**

Come, in his presence, in his sweetness

And let him touch your heart, to be free, to be joyfull,

To know the grace he gives, come come !
